

Rochesterians in need of emergency medical services have experienced firsthand the level of service and care that Rural/Metro exemplifies. Rural/Metro's 400 employees not only serve in Rochester but also provide back-up and mutual aid to Monroe and Livingston Counties' volunteer emergency services agencies. The official 911 ambulance service provider for the City of Rochester, Rural/Metro has garnered a reputation of excellence among our local hospitals, nursing homes and other health care providers. In fact, Rural/Metro holds the distinction of being the only ambulance service in our region to be nationally accredited.

In addition to fulfilling its core mission, Rural/Metro has also endeavored to innovate the field of emergency medical services by developing creative new approaches for the delivery of such service. The Bike Medic program, which enables paramedics and other health care providers to respond rapidly to emergencies at public events, and the Emergency Support Unit, which brings about enhanced coordination during fires and other large-scale emergencies, are true innovations that have made the difference in the lives of countless Rochesterians and serve as a model for other regions.

Mr. Speaker, for these reasons, I am pleased to congratulate Rural/Metro Medical

Services on reaching this important milestone. I would like to express my great hope that these past fifty years are merely the beginning of Rural/Metro Medical Service's tenure as the standard-bearer for emergency medical services in the Rochester area.

HONORING THE 25TH ANNIVERSARY OF BOY SCOUTS OF AMERICA TROOP 301, TEMECULA, CALIFORNIA

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2002

Mr. ISSA. Mr. Speaker, I rise today to commend Boy Scouts of America, Troop 301, of Temecula, California, for 25 years of service and commitment to their community.

On February 8, 2002, Troop 301 celebrated their 25th anniversary as a member of the California Inland Empire Council. This troop, established in 1977, has shown a strong commitment to training the leaders of tomorrow by teaching service and developing character, today.

Every year, Troop 301 organizes programs to provide food, aid and comfort for those in

need: the troop adopts families who are in financial need, decorates senior-citizen homes, and participates in community clean-up events including Temecula's "Make a Difference Days." In addition to teaching community service, Troop 301 emphasizes service to the country. Following the devastating terrorist attacks on the United States of America on September 11, 2001, Troop 301 raised over \$1,500 for the Red Cross disaster relief fund.

This troop provides a valuable service to the city of Temecula by providing color guard presentation of the American flag at community events and celebrations such as Memorial Day, Veteran's Day, the Temecula Mayor's Prayer Breakfast and Temecula City Council meetings. Troop 301 is dedicated to supporting the scouting tradition and has helped 39 young men achieve the rank of Eagle Scout.

Mr. Speaker, I too was a Boy Scout for much of my early life. I can say that I am very proud to have achieved the rank of Life Scout before entering the Army. Today, my contributions to scouting are at a different level.

I am very proud of what Troop 301 has done for the citizens of Temecula and I would like to extend my congratulations to the troop for a wonderful first 25 years. They should be very proud of what they have accomplished.
